

Southport Yacht Club Inc.

'SAILING DEVELOPMENT FUND'

Overview:

Southport Yacht Club (SYC) invests around \$300,000 each year into Sailing throughout its multiple locations at Main Beach, Hollywell, and Oxenford.

The Sailing Development Fund was established by an addition of a By-Law to provide significant financial support to SYC Members throughout their sailing development to attend away Championships, Yacht Races and Olympic Campaigns.

A contribution from SYC is allocated as a capped pool to the Sailing Development Fund each Club year (1 May - 30 April) and funds are available for distribution to SYC members who meet specific criteria throughout each Sailing Season. The amount available is an annual maximum including undistributed funding carried forward from previous years.

Eligible SYC Members may apply for funding in accordance with the following requirements:

Eligible Events / campaigns:

- State, Interstate, National, or International level Championships.
- Offshore yacht races being: Sydney Hobart Yacht Race, Sydney Gold Coast Yacht Race, Pittwater to Paradise Yacht Race. 60% of Crew must be SYC
- Olympic Campaigns for Olympic level, and Olympic aspirant Sailors who are endeavoring to qualify for and compete at the Olympic Games.

Available support levels:

- Up to a maximum \$1,000 for State and Interstate Events.
- Up to a maximum \$2,000 for National Events.
- Up to a maximum \$3,000 for Overseas Events.
- Up to a maximum \$10,000 for Olympic Campaign Support.

Club's funding allocation:

- Once the Club's audited financial report is released each year, the Sailing Development Fund amount for the ensuing year will be set as;
 - a minimum of \$5,000.00
 - a maximum of 4% of the Net Operating Profit, or \$30,000.00 (commencing 2019/20 indexed annually based on the June quarter CPI figure), whichever is the lower, plus any funds carried forward as unallocated from the previous year.

Allocation cutback formula:

If applications which meet approval criteria in a year would exceed the amount available in the Sailing Development Fund, the amount for each successful application shall be reduced pro-rata to the amount of funding available.
