

To Southport Yacht Club Members,

As you're aware the Prime Minister has announced from midday today all pubs and clubs across Australia must close.

This announcement will force the closure of Southport Yacht Club; Main Beach, Hollywell and Oxenford, the Marina & Hardstand/Boat repair will remain open.

The Board are currently in a meeting to design a plan to coordinate staff and assist members over these trying times.

Communication from the Club will come via your member email and Southport Yacht Club Facebook pages.

Stay safe, look after your families.
Chairman & Board
